

We chose our Synagogue, Beth Israel in Halifax, as the recipient of our legacy gift through the LIFE & LEGACY in Atlantic Canada initiative.

The Beth was always the focus of both my late parents Max and Shoshana Katz as well as Hank's late parents Irving Webber and Helen Webber Ziderman.

Our synagogue has experienced loss of membership and interest for a number of years.

It is our hope as our Synagogue moves forward to become a vibrant congregation with a better more efficient foot print more Jews will connect to our congregation.

We fortunately were able to contribute now so that hopefully we will see the results of the contribution.

Sincerely,

Bonnie Katz Webber and Hank Webber
